November

We're going to have a **FULL** house for dinner!!

November is a time for family and giving thanks. And we have a lot to give thanks for here at LCC!! We see God working in our Family and in the lives of many. We continue to be richly blessed!

Join us in giving thanks at our annual LCC Thanksgiving dinner on **Nov. 19th @ 1:00 pm**. We want all of you to come, but we also need your help to make it a great day!! We have invited the families we serve through Food Bank to join us for dinner and fellowship. This will be a great time to connect with them and share God's abundant love.

Here's how you can help. 1) Sign up to bring food for the dinner.

We will be hosting about 50 guests, so we need your help in order to have enough for everyone. See Michelle Bowen to sign up. 2) We are putting together 20

Thanksgiving baskets to give to our guests after dinner.

You can help supply for these baskets by taking a leaf off the tree in the Welcome Center.

Let's come together and show God's love and graciousness to our guests!!

Many times we approach our Scripture reading detached personally from the words. It is easy to read "the words of others" and miss the impact of what God is saying to us.

One way to help connect us to the power of the Word is to make it personal; insert personal pronouns. Here is an example that we want to share with you as we focus this month on giving thanks.

Psalm 100

[We] Shout joyfully to the LORD, [with] all the earth.

[We] Serve [you] LORD with gladness; [we] come before You with joyful singing.

[We] Know that [You] alone are God; who has made us. We are [Your] people and the sheep of [Your] pasture.

[We] Enter [Your] gates with thanksgiving and [Your] courts with praise. [We] give thanks and bless [Your] name.

[You] are good; [Your] lovingkindness is everlasting and [Your] faithfulness to all generations.

A Night's Welcome at LCC

A Night's Welcome is a winter shelter program for the homeless in which area congregations rotate hospitality providing shelter, dinner and breakfast meals during the cold winter months.

LCC has helped in the past several years by covering a night or two at other area churches. This year we are going to host a week here at the church. The week we are hosting will be December 16th - 23rd. This is a great opportunity to utilize the resources we have been blessed with to serve others.

Here's how you can help. Each night there are 3 basic crews or shifts which need covered.

First is the Welcome and Dinner crew. Our guests arrive at 6pm and dinner is served at 6:30pm. This shift will prepare dinner, welcome our guests and serve them dinner. Then after some fellowship, begin to hand out bedding for the night.

Second is the Overnight crew. We need adults to stay at the church overnight in case any needs arise. There MUST be at least one male and one female each night. It is ideal to have 3-4 people on this crew.

Third is the Breakfast and cleanup crew. Our guests wake up at 6:00am and eat breakfast. This crew needs to arrive early and prepare breakfast so it is ready when they wake up. Then, after our guests leave at 7am, clean up around the church and bathrooms.

Don't miss this opportunity to serve and connect with those in need. We have reached out to some neighboring churches for some extra help and a few have already responded!!

Sign up early on the list in the Welcome Center before all the spots are taken!!!
