“Continue steadfastly in prayer, being watchful in it with thanksgiving” -Colossians 4:2

Life gets stressful and chaotic when we try to live under our own power. We connect with Christ’s power through prayer.

Don’t do life alone;
Get Connected!

Get Plugged In

The Church is the Body of Christ and the Body functions properly when all parts work together (Eph 4:15-16). From youth to adults, music to missions, cleaning to cooking, there are many ways to get plugged into the Body at Langley. Pray, where is God urging you to get plugged in? Talk with one of our Elders or other ministry leaders about getting plugged in!

Hey Family!!

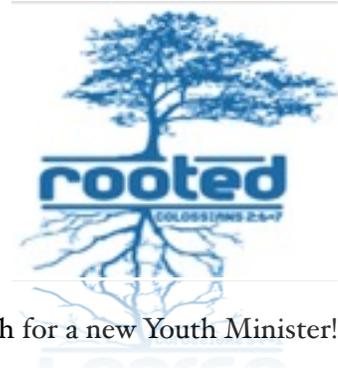

Wow! We have had an amazing year so far, Praise God!! We have seen new families, baptisms, greater involvement and renewed excitement through the ministries of Langley. As we have sought God’s direction and leading for our Family, He has faithfully shown us next steps and opened

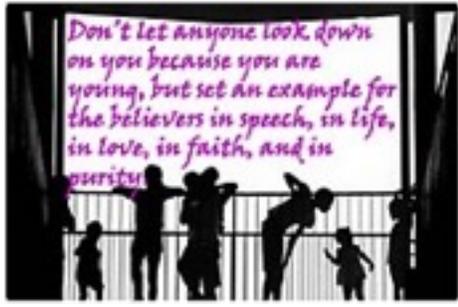

doors. This is due to faithful leaders persistently seeking God through Christ in prayer along side of you, the Body. It is a blessing to see our ministry leaders, the Council of Ministries, coming together in unity, working to Connect, Equip and Serve our families and community. It takes the whole Body working together to accomplish the mission God has placed before Langley. Please continue to pray for our leadership and your role in our ministry.

Youth News

The children and teens have always been a valuable part of our Family and we have the blessing of teaching and discipling them to know and love Jesus. We give a big shout out and thankful praise for those who have stepped up in a big way to serve our youth while we search for a new Youth Minister!!

Pray about getting involved with our youth. Connect with Derek for more information about getting plugged in serving our youth.

Youth Minister Update

We have been praying for God to lead us to our next youth minister. The Elders have been reviewing resumes and, through prayer, God has narrowed the field. We sent out questionnaires to get to know each of these young men better. These contained personal, doctrinal, and situational questions to help us have greater insight into their hearts and faith. The next step, now in motion, will be phone interviews with each candidate. Then the Elders' will present their nomination to the congregation for voting. Keep praying as we seek who God has prepared for this ministry with us.

We will make announcements during service as this process progresses.
