

LANGLEY CHRISTIAN CHURCH

Worship during A Night's Welcome

During our week hosting, there will be a few special evenings. All are welcome to come join in these times of worship and prayer.

Monday: There will be a time of praise and worship following dinner. This will be led by Harbor Pointe Community Church.

Wednesday: You're invited to join us for dinner @ 6pm followed by a devotion and prayer time. Come pray together with our Family and our guests.

Thursday: H.E.L.P. will be having a Candle Light Memorial service @ 5:30pm for our guests. This is to give honor to those homeless who passed away this last year. Come out to support and encourage our guests.

Friday: After dinner, Andy will be sharing the Gospel with our guests. Join us for study and prayer.

Sharing and Celebrating

The holiday season is in full swing! Decorating, parties, and family gatherings fill our hearts with joy and our time with the hustle and bustle of the season.

December is full of great Family opportunities to celebrate and share the True Light, the Lamb of God, who came to take away the sins of the world!

A Night's Welcome

Our week of hosting A Night's Welcome is coming up quick! Our guests will be arriving starting Saturday night, Dec. 16th. There are still spots to be filled (especially a couple overnight shifts). If you can help, please sign up in the Welcome Center or talk to Derek. All our evenings can still use some extra hands serving and fellowshipping. And we're looking for a couple people to help with cleaning during the days.

Don't miss this great opportunity to share and serve as a Family.

A Light Shining in the Darkness

Christmas Eve service

Sunday, December 24th, @6pm

(with desert fellowship after)

This month we have been talking about the expected Messiah. His coming would be more than just a birth. He would be the promised seed, an everlasting King, Prophet, Priest and Sacrifice bringing truth, forgiveness, healing and life. His coming would be God fulfilling His promise in the Garden.

Join our Family for a Christmas Eve celebration!! This is a time for us to proclaim and celebrate the Word become flesh, the True Light coming into the world, the Lamb of God, who came to take away the sins of the world!!

Bring the whole family and invite friends, neighbors and co-workers to join with us celebrating the birth of our Lord and Savior Jesus Christ.
