March Sermon Series

During the final week before Jesus was crucified, there were four big questions asked that are still being asked today.

In March, we are going to search God's Word together for the answers!

A Night's Welcome March 6th & 8th

We have been given the opportunity to support the Restoration Church during their week providing shelter and food for the homeless in our community!

Volunteers needed for:

- Dinner
- Breakfast
- Overnight

Please see Jimmy Weeks, Martha McCrea or Derek if you can help or for any questions.

Food for the meals:

Please take a leaf from the tree in the Welcome Center to help provide food items for the meals.

We are collecting men and women's tube socks to give to the guests at A Night's Welcome. Please put them in the basket in the Welcome Center.

THANK YOU!
