During the month of September, we will be talking about FAMILY. We will be learning about the importance of family to God and looking at some characteristics that are in a family committed to God. This will be a time to assess our families, our church and how we live in obedience and service to God.

Soup & Bake Sale

If you would like to make soup or baked goods, please bring them on September 15th and place them in the kitchen prior to services. Sale will be open to the congregation after Worship Services.

Family Restoration Services

We want to welcome a new community group, Family Restoration Services! They will be meeting in our building Monday through Friday from 2:00 – 5:00 p.m.

Family Restoration Services (FRS) provides an array of services to emotionally disabled youth requiring supportive services to stabilize in their own homes. Family Restoration seeks to restore optimal health to the body, mind, and spirit. In this respect, our mission is to offer youth and families restorative counsel to repair dysfunctional homes, build healthy familial relationships, and to curb negative behaviors and attitudes through fitness and nutritional activities, therapeutic interventions and community partnering.
