## Current Sermon Series The Gospel of John

Through this study, we hope to help you navigate the answers to some age-old questions. Questions that are universal and have been asked through the generations. Questions like... Who am I? What's the point of it all? Where is this leading? What is right and wrong? Says who? Is there actual truth?

It's not hard to see the confusion and chaos that comes as we seek answers from this world. So much of what we hear from this world doesn't hold up in day-to-day life, is full of contradictions, and fails to fulfill its promises leaving many to feel defeated and lost.

These types of questions are important because they are foundational questions; questions which, when answered, give us a solid foundation from which all other decisions in life start. Our hope in this study is to give you real answers and a solid foundation in which to navigate the chaos of this world.

We have narrowed down all these questions to two key foundational questions; the two most important questions: 1) Who is Jesus? 2) Will you in faith accept the salvation He offers and call Him Lord?

In John 14:6 Jesus says, *"I am the Way, the Truth, and the Life. No one comes to the Father except through Me."*
